The journey started eight years ago. It was on the verge of a long association of fifteen years with the Indian Armed Forces, more precisely, with the Indian Navy. CEO, Mr. Rajnish Kumar started a new chapter of his life, the 1st day of March 2015, and **RAV Fire Services** was launched.

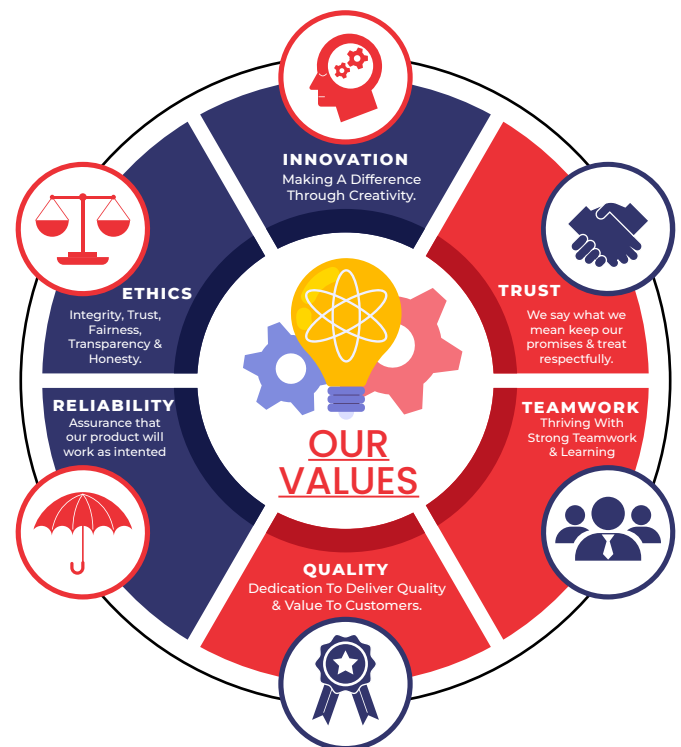

While working with the Indian Navy as a soldier, Mr. Kumar encountered numerous devastating fires with a lot of expertise and diligence. The rigorous training of the Indian Navy substantiated his capabilities. With the asset of this skill, he has achieved a sound knowledge of firefighting and oriented his new approach for the benefit of society.

RAV Fire Services is a Govt. Licensed Company with **ISO 9001:2015** certified firm and consistently maintaining Quality Management System. Our company is well known for it's very strong engineering team that ensure that our innovative designs are based on the standards of the National Fire Protection Association (NFPA). We have competent & dedicated maintenance team that provides excellent service to ensure efficiency of the fire protection systems of the clients.

Our company is dedicated and specialised in providing solutions to all fire safety related issues. We are engaged in supply of fire fighting equipment, fire AMC, extinguishers refilling, fire safety training and undertaking new projects for fresh installation of fire systems.

We strive to achieve new milestone in the fire industry and understand customer's needs. With the help of our experienced and professional team we provide prompt services before and after sales. Keeping in

mind the ultimate goal of the company is to meet the client's needs and requirements. Our values are Innovation, Trust, Teamwork, Quality, Reliability and Ethics.

At **RAV Fire Services**, we have a relentless passion for quality as we aim to make the community a safer and better place to live. We provide quality service, professional fire protection and prevention and life safety to meet the needs of our community.

OUR MISSION

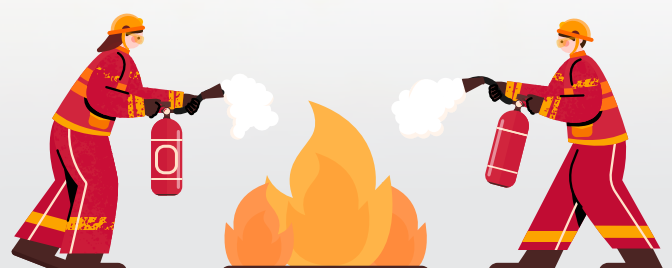

- To attain leadership in products development, technical adaptation and assimilating state-of-the-art technology for competitive advantage.
- To provide best quality services through sustained research & development.
- To cultivate total Quality Management for a strong corporate identity and high standard of business ethics.
- To enrich the quality of life whilst maintaining an environmental conscience.
- To achieve international standards of excellence in all aspects of safety, security, rescue and protection of human life and property.

VISION

A major diversified, company engaged in fire fighting and fire protection. With the prime objective of safety, security, rescue and protection of life & property. To acquire & maintain global leadership position in chosen areas of businesses, and also continuously creating new opportunities for the growth in our strategic business. To provide best safety & surveillance products & services and help them in feeling absolutely safe & protected.

Fire Takes No Holiday, Neither Do We!

RAV Fire Services has an established track record of consistently delivering high-quality products & solutions to our customers. We take pride in providing our customers with the most advanced & reliable products, certified by renowned Approval agencies like UL, FM, ISO or Bureau of Indian Standards

SUPPLY & INSTALLATION OF FIRE SAFETY PRODUCTS

RAV Fire Services is manufacturer and supplier in fire safety equipment of ISI mark and UL listed We cover large range of products such as Fire Extinguisher, Fire Hose Reel Drum, Hose Boxes, RR Pipe Hydrant (land-ing) Valves, Sprinkler System, Fire Alarm System, Fire Detection System, etc

Powder Fire Extinguisher

Hose Pipe

Hydrant Valve

Modular Fire Extinguisher

Hose Reel Box

Short Branched Pipe

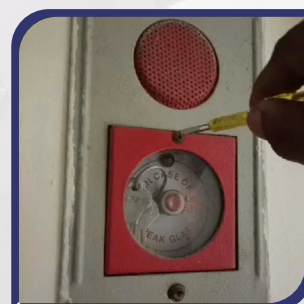

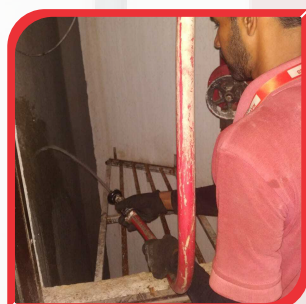

Hose Reel Drum

CO2 Fire Extinguisher

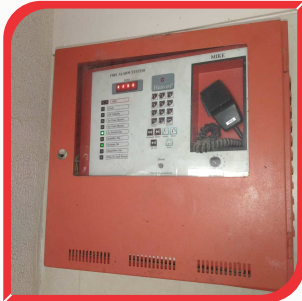

FIRE AMC

We do monthly visits to our all sites and make sure their fire fighting system is up & running. This service makes sure the fire safety equipment on your premises is carefully looked after, cleaned and serviced. It also ensures faulty parts are repaired or replaced on time, and the equipment functions at it's best.

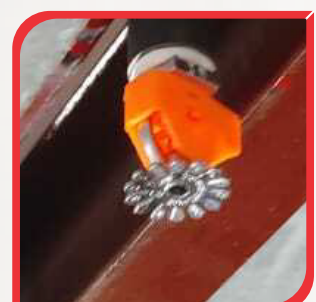

FIRE DETECTION SYSTEM & ALARM SYSTEM

RAV Fire Services supply and install fire detection and fire alarm system. A key aspect of fire protection is to identify a developing fire emergency in a timely manner, and to alert the building's occupants and fire department. Our detectors use cutting-edge technology to detect faintest trace of smoke

SPRINKLER SYSTEM

RAV Fire Services supply and Install Fire Sprinkler System. A fire sprinkler system is an active fire protection measure. Each sprinkler activates independently when the predetermined heat level is reached. Because of this, the number of sprinklers that operate is limited to only those near the fire, thereby maximizing the available water pressure over the point of fire origin

FIRE SAFETY TRAINING & MOCK DRILLS

“ Fire Destruction Is One Man’s Job, Fire Prevention Is Everybody’s Job.” Fire safety education and training is not only required by law, it's also an extremely important skill to obtain regarding the safety of employees and others who might be in the building.

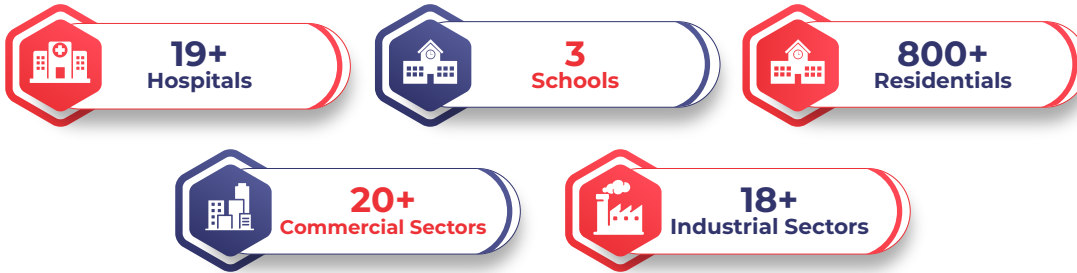

REFILLING EXTINGUISHER

RAV Fire Services also do refilling of various types of extinguishers which include ABC type extinguisher, CO2 type extinguisher, Modular type extinguisher, Foam type extinguisher & Cartridge type extinguisher. Fire extinguishers must be recharged directly after use to ensure enough pressure and suppressant liquid are stored and ready to extinguish a fire.

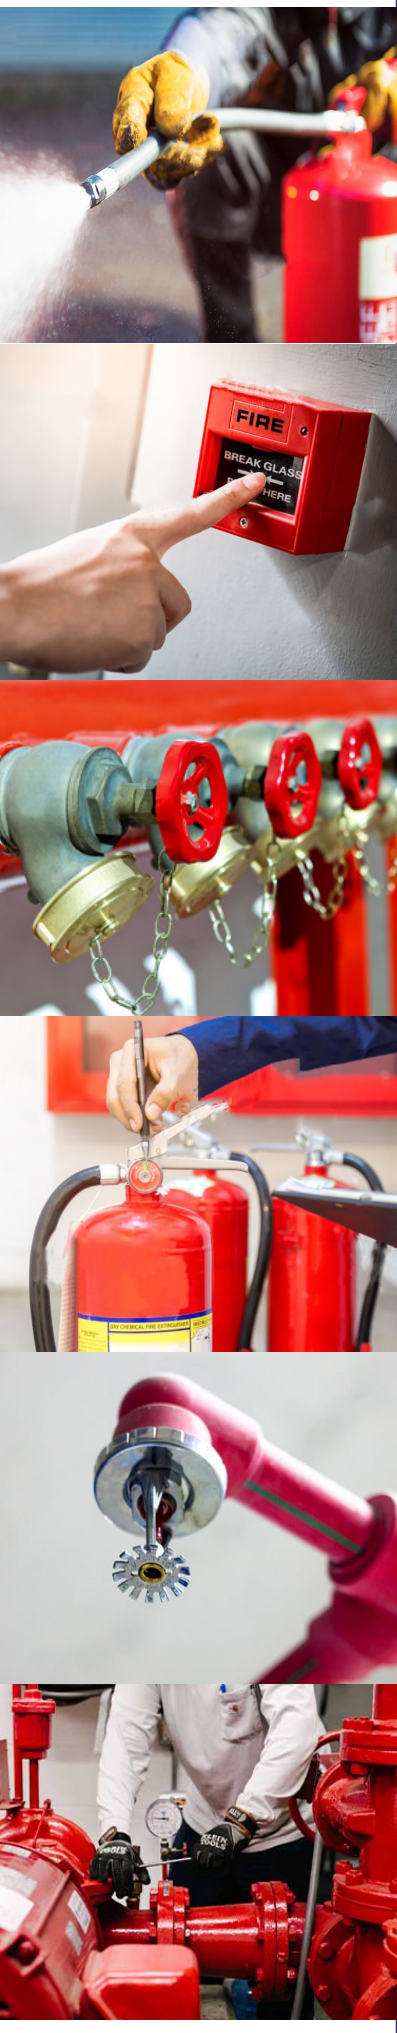

We currently have more than 900 Clients in AMC.

As of now we have completed over 50 projects in various sectors

1. Expansion of Sprinkler System at **Club One**, Virar (w).
